

Dr. Pawan Kumar Singh

Vice Chairman

Department of Hemato-Oncology & BMT, ShardaCare – Healthcity

Dr. Pawan Kumar Singh is a renowned Hemato-Oncologist and Bone Marrow Transplant Specialist with over 15 years of clinical experience. He completed his DM in Hematology from the prestigious All India Institute of Medical Sciences (AIIMS), New Delhi. Dr. Singh is widely recognized for performing the highest number of Hematopoietic Stem Cell Transplants in autoimmune diseases, particularly Multiple Sclerosis. He has successfully conducted more than 1,000 blood and marrow transplants, including MSD, MUD, and haploidentical transplants, in both adult and paediatric patients. He also specializes in treating paediatric solid tumours and is actively involved in research and academic publications.
